A Note from the Executive Director
Greetings! I am very excited about the next few months. We are less than two months away from the opening of our new facility. During the month of April we will be finishing up the interior and will be hoping for nice Spring weather so that we can pave the parking lot.

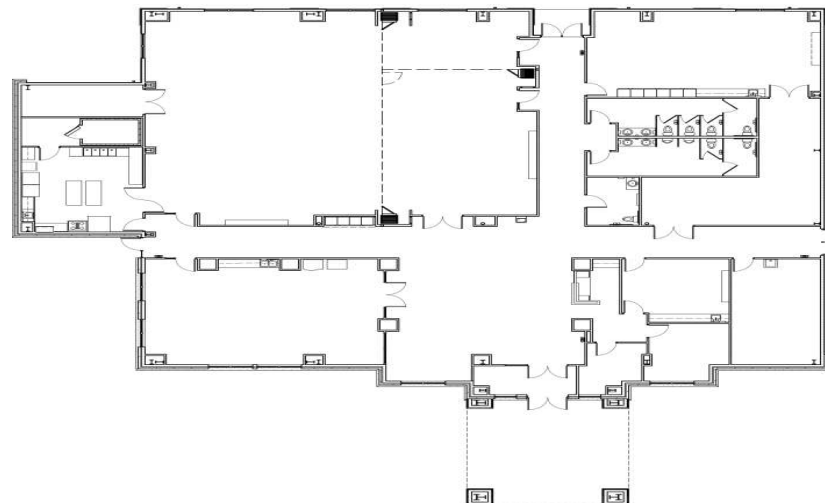

We anticipate that our first major event will be the Chili Cook-off on May 14th from 5:30-8:00 sponsored by the Evansville Community Partnership. We will also host the Grove Society Rally Around the Flag Ball on May 21st. April and May will be two very busy months and we invite you join us, whether it be lunch, a class, or a special program.

If you have plans for group events, **graduation** or family gatherings think of Creekside Place for your venue. Evansville is one of the top growing communities in Wisconsin and we want to be the Center for this community.
